Getty photographer uses infrared camera at Anaheim Ducks Washington Capitals game

An infrared camera was used to create this image. The Anaheim Ducks play against the Washington Capitals at the Honda Center on March 18, 2014 in Anaheim, California.

A A A

Infrared cameras are usually reserved for situations where a feeling of alienation is warranted (or a psychedelic music video), not a modern, well-lighted NHL hockey arena.

Recently, veteran Getty Images photographer Bruce Bennett was tasked with using an infrared camera to take shots of an NHL game and the results are startlingly eerie and otherworldly.
